As with many internet-based technologies, this service may experience interruptions, delays, outages, and other malfunctions beyond our control. We make no guarantees for the virtual access options to work successfully. The only way for us to guarantee your ability to participate, is for you to attend the meeting in person at the physical location listed on the agenda or meeting notice. Unless a state of emergency is declared by the Governor, the State of NH requires that all meetings be public and that there be a quorum of board/committee members physically present for a meeting to commence.
